# *Faculty Academic Caps, Gowns and Hoods*

## **Gowns**

The bachelor's gown has a closed front and open sleeve. The master's gown has extremely long, closed sleeves, from which the arms protrude through a slit at the wrist; the end of the sleeve is a square, with an arc cut away just above the bottom. The doctor's gown has velveteen panels down the front and voluminous bell-shaped sleeves on which there are three velveteen bars.

## **Hoods**

The academic hood is a symbol that identifies a faculty member's degree and the college awarding the degree. The size and shape emphasize the degree level—the doctor being the largest, followed by the master and the bachelor. The colors in the satin lining are those approved and authorized by the college or university, and the color of the velvet border indicates the academic area in which the degree was earned. Below are listed some of the academic areas and the color of the velvet border associated with each area:

Arts, Letters, Humanities .....	White
Education .....	Light Blue
Family and Consumer Sciences .....	Maroon
Fine Arts .....	Brown
Journalism, Communications .....	Crimson
Law .....	Purple
Library Science .....	Lemon
Music .....	Pink
