2. Online at www.yearbookordercenter.com! Here you can order the book, the spring supplement AND if you have a senior graduating in 2020, a special Grad Ad! Use code 3808 when prompted.
3. At registration! Stop by the yearbook table and purchase your 2020 yearbook in person. Use the form below and bring to the yearbook table to save time!

\$70! Why is the book so expensive?

No doubt, \$70 is a lot of money, but when compared to other expenses is quite the deal. Often times, the yearbook is the only keepsake someone holds on to from high school. Compared to what many people pay for phones, data plans, shoes or regular trips to Starbucks, the yearbook is a great deal that is truly priceless!

On a near weekly basis, the yearbook staff receives a call from a graduate hoping to buy a copy of an old book. Many times, we don't have those old editions and leave the caller disappointed. Don't be that person! Order the book early and save, and remember, the book is the only guaranteed technology that will last in 50 years!

What's the spring supplement?

Once the yearbook goes to press in early spring, there are still two months of activities – some quite popular – that happen before the year ends. The spring supplement covers everything after the yearbook goes to press and is mailed home to families in the summer. Activities such as prom, spring sports, spring performing arts, commencement and more are included in the supplement! The supplement features an adhesive strip that allows buyers to insert it into the book!

DON'T FORGET A GRAD AD!

Grad Ads are special ads parents and loved ones purchase for graduating seniors. Appearing in the yearbook, these ads are \$45 for each 1/8 page. Ads can be purchased at yearbookordercenter.com. Use code 3808 when prompted. Ads are designed entirely by the purchaser, so the power is in your hands! The deadline for Grad Ads is October 31, so plan ahead! As last year shows, a school year may not end the way you expect, but a Grad Ad is a nice lasting memory no matter what happens.
