

NORTH CENTRAL REOPENING PLAN

LEARNING CENTER FAQ

Q: What is the Learning Center (LC) and After School Learning Center (ASLC)?

A: The LC is an academic support center open to all North Central High School students during their study hall periods. Hundreds of students work in the LC daily, taking part in tutoring sessions in English, mathematics, humanities and science across all academic levels. The ASLC extends the daytime LC services past the end of the normal school day.

Q: Are both the LC and ASLC still open during the Hybrid schedule?

A: Yes! While on the Hybrid schedule, the LC is **virtually** open to study hall students during the school day, and the ASLC is **virtually** open to students after the school day. Due to the nature of COVID and the need for contact tracing, LC and ASLC support will not be available as in-person support. Study hall and after school students will access the virtual LC and ASLC through Zoom links.

Q: When are the LC and ASLC open?

A: The LC is open every period of the school day except for 4th period. The ASLC is open after school Monday through Thursday from 2:40 - 4:30 p.m.

Q: How do I virtually sign into the LC and the ASLC?

A: If a student has a study hall, the student will sign into the LC at the beginning of the study hall period using the published Zoom link. Students will **only** be admitted to the LC by signing in on the screen with their accurate first and last name. Once admitted, LC staff will work with the student to identify the area in need of support. The student will then be sent to a Zoom breakout room with a tutor in the needed area.

For the ASLC, students may sign into the Zoom session any time between 2:40 - 4:30 p.m. and then follow the same instructions as listed above for the LC.

Q: Where can I find the Zoom links to sign into the LC and ASLC during the day?

A: Students can find the Zoom links for both the LC and ASLC on the NCHS school website (www.nchs.cc). Once on the school website, click on "Students & Families" >> "For Students" >> "Learning Center." The direct link to the NCHS Learning Center webpage is located here: <https://www.nchs.cc/learning-center/>
