WELCOME TO THE NORTH CENTRAL COUNSELING HOME PAGE

About

The Counseling Department is dedicated to helping students make good decisions throughout their high school years. Our goal is to help students keep their options open for success after high school by making sound academic and personal choices. All students have an alphabetically assigned counselor by grade level who stays with them all four years of high school. Counseling programs are generally divided into three areas: academic planning, career and post secondary planning, and student support services. The Coordinator of College
