

NORTH CENTRAL HIGH SCHOOL

CLASS of 2025 COUNSELING DEPARTMENT

NEWSLETTER

Friday February 17th, 2023

Happy Friday Panthers!

Junior Year Scheduling:

Students and families please be aware that scheduling meetings for Junior year have begun! If you need direction and guidance on selecting courses and how to meet with your counselor [please watch this short video](#). Please contact your counselor if you have further questions.

Sophomore College and Career Information Night:

All 10th grade students and families are invited to attend a College and Career information night on Thursday February 23rd beginning at 6:30 pm in the Performing Art Classroom. In addition to sharing academic planning information, the evening will include what to do with your PSAT results, and what is Naviance and what do I do with it. You will also get to hear from North Central's Work Based Learning Coordinators to learn about opportunities for our students. Finally, you will have the chance to tour a state of the art military RV with the latest STEM technology. It will be a full evening and I hope you can join us!

Summer School Date(s) and times:

Students and families, please make a note on your calendar that North Central Summer school will be one session in person from June 5th-June 26th from 8:30am-1:30pm(tentative) in which a single class can be taken. There will be an online opportunity through Indiana Online Academy in which two classes can be taken from June 5th-July 16th. Classes offered will be available at a later date!

Greater Indianapolis Northside College Fair:

Students and families that are interested can check out the Greater Indianapolis Northside College Fair on March 13th from 6-8pm. Please see [the flier and scan the QR code](#) to register and learn more.

J. Everett Light Sign Up Form:

Students that wish to enroll in a JEL program next year can begin by [filling out the Enrollment Form](#). Please complete this ASAP as the programs fill up quickly and are first come first serve. Please complete the form and give it to your counselor to have us sign off on it. If you need a hard copy please come to the Counseling office in B126 to get one.

CAREER & WORKFORCE INFORMATION

Innovate WithIn Statewide Pitch Competition:

Students that are interested can check out the Innovate WithIN statewide Pitch Competition. Students can see the website as well as an explanation of the entrepreneurial business pitch competition. [Please see the website](#) and [explainer on the requirements and the rules](#).

Indiana Troopers Youth Services Inc. Career Camp

Any child that is going into high school or that has graduated but not yet attended college is eligible to attend. These camps are co-ed and are directed by male and female Indiana State Police troopers. Career camps are week-long camps conducted at university campuses to give participants an idea of college life. All camps start on Sunday and end on Friday. Campers will participate in physical training, familiarization of police equipment, conduct their own crime scene investigations, and hear from defense attorneys, judges and other experts in the criminal justice field. Each camper will find out what it takes to be a police officer, experience some of the same things officers do during their careers, and get to see other careers and specialties in the law enforcement field. Please see the website [to register and learn more information](#).

FBI Youth Leadership Program:

The FBI National Academy Associates, Inc. (FBINAA) hosts a week-long training event for high school students at the FBI National Academy every summer called the Youth Leadership Program (YLP). YLP is scheduled for June 22 thru June 30, 2023 in Quantico, Virginia. Applicants must have an unweighted 3.0 or higher GPA. All costs are covered by the Indiana Chapter of the FBINAA. YLP is designed to offer lifelong enrichment opportunities in support of exceptional young leader's drive for knowledge and their desire to make a difference in the world. The vision of YLP is to develop an influential community of socially conscious and service-minded leaders, connected through association who positively shape the world. Applications for this program are due February 3, 2023. You can [go this link to request an application](#).

Nexttech Catapult Summer Tech Program: Students can apply to attend the Nex Tech Catapult Summer program that will take place in June/July 2023 in Marion. This is for students who are interested in networking for a career in technology. [Please see the website to sign up to receive more information](#).

Keep Indianapolis Beautiful Summer Tree Team: Students that are interested in the 7 week summer job program to work outside, get paid, and play a part in improving the community. [Please see the website to sign up for more information](#).

Indianapolis Youth Leadership Academy Summer Workshop: Students that are interested in a free one week summer workshop from June 5th-9th. [Please see the website to sign up](#) and get more information. The deadline to apply is May 15th.
