

**Welcome to the North Central 2023 Open House
from the North Central PTO**

Building on Our Success!

Thank you for joining us today as the students, administrators, staff and parents showcase the many opportunities North Central High School has to offer. As parents and community members, we are incredibly proud of our amazing school. From first-rate academic departments to outstanding athletic teams to a wide variety of impressive performing arts organizations and clubs, we firmly believe there is no place like North Central. There is something for everyone at NC! With exciting construction projects underway thanks to our supportive community, the future is very bright.

Engaged parents are a key element of what makes NC so special. Our North Central Parent Teacher Organization (PTO) has a long-standing tradition of supporting our school. Our PTO does not sell “stuff,” rather we rely on parent and community donations which help us fund thousands of dollars of grants for teachers as well as provide support in many ways for NC students and staff. We work together to provide resources, encouragement and helping hands that enrich experiences for every student.

No matter your schedule, there is a way for you to be involved as a proud member of the North Central community. Be sure to follow our Facebook Page - <https://www.facebook.com/ptonorthcentral> - to learn more about our organization. We are also on Instagram at [@northcentralpto](https://www.instagram.com/northcentralpto).

We hope you have a great visit.. Go Panthers!!
