PREFACE

It is the privilege of the students attending North Central High School to have at their disposal some of the most excellent educational facilities and opportunities found in a high school. Many of the questions raised by a new student about North Central are answered in this handbook. Those not covered should be taken to the student's counselor or homeroom teacher.

It is anticipated that the students of North Central will take advantage of the opportunities available to the best of their ability and will do so in such a manner as to be a credit to themselves, their parents/guardians/guardians, and their school.

HISTORY OF THE SCHOOL

North Central High School sits along a busy corridor on the north side of Indianapolis. It is difficult to imagine today that over a half-century ago, this area was little more than meadow and pasture.

By the 1950's, the northern part of Indianapolis exploded into subdivisions and shopping malls. Along with this explosion of growth came the need for schools. No high school had existed in Washington Township prior to the founding of North Central in 1956. North Central became part of the first metropolitan school district in the state and set the standard for the dozens of other systems that followed its establishment.

The story of the school is more than bricks and mortar. The families who raised the money and started North Central demanded excellence. They lobbied and managed to change the state law so that citizens could elect a school board. They hired J. Everett Light as the first Superintendent of Washington Township Schools. Dr. Light was given the task of hiring the best faculty that the city and state offered. The school opened its doors in August of 1956.

By the late 1950's, administrators realized that the high school was too small and began to plan for a larger structure. Once again the community rose to the occasion and raised the funds needed to build a bigger high school at 1801 East 86th Street. Constructed during the height of the Cold War in 1963, architects added tunnels underground as a potential haven should a nuclear bomb fall on Indianapolis. Students attended classes in air-conditioned rooms and performed experiments in state-of-the-art science labs. Russian, Chinese, German, French, Spanish, Hebrew, and Japanese have been offered over the years as options for a second language.

The 1960's proved to be a difficult time for Americans and students at North Central were no exception. Shocked to learn of the assassinations of several key leaders in the U.S. and dismayed by the systemic racism that persisted in America, the Vietnam War and the Civil Rights Movement brought both protest and support in the form of student publications and seminars. And the school continued to grow. In 1972, the J. Everett Light Career Center opened. Students could now take classes in cosmetology, construction trades, and auto mechanics. The high school also began to offer Advanced Placement courses. The IB Diploma Program began in 1988.

In the 1970's and early 1980's, the high school enrolled thousands of teens and produced graduating classes of approximately 1000 students. Performing arts, athletics, and clubs all grew during this time period. In 1977, the Federal Law called Title Nine guaranteed women the same opportunities as men in sports. Many young women joined teams after the passage of this law. In 1993 and 1994, the school suffered from two separate arson attacks causing significant damage to the building. Newer and more stringent policies were put in place after the fires. These remain in effect to this day. In 1994, the school was renovated and wings were added on three sides of the building.

The one unifying factor throughout the school's history has been the insistence on academic excellence. Currently, students take more AP, dual credit, and International Baccalaureate courses than at any time in the school's history. Thus, the school's commitment to academics set in place in 1956 remains strong if not stronger more than a half-century later.

INTERNATIONAL BACCALAUREATE (IB) PROGRAM

The aim of all International Baccalaureate (IB) Programs is to develop internationally-minded people who recognize their common humanity and shared responsibility for guardianship of the planet and as a result, help to create a better and more peaceful world. At North Central High School, Grades 11 and 12, students can elect to participate in the international Baccalaureate diploma program (IB DP).

NORTH CENTRAL'S PANTHER EXPLORATION

During their sophomore year, all 10th grade students are expected to participate in North Central's personal project. The 10th grade personal project is a student directed investigation into a topic of personal interest. Involving a cycle of inquiry, action and reflection, the personal project allows students to demonstrate academic skills learned. This full-year project is primarily an independent learning experience; however, students are assigned a staff member who will serve as their supervisor and who will help and guide students as they research and complete their own personal projects. Completion of the personal project satisfies a graduation pathway requirement.

PANTHER EXPLORATION PROJECT

- Participation in a sustained, self-directed inquiry
- Generation of creative new insights and develop deeper understandings through in-depth investigation on a topic of personal interest
- Demonstration of the skills, attitudes and knowledge required to complete a project over an extended period of time
- Communication that is effective in a variety of situations
- Display of responsible action through, or as a result of learning
- Reflection on the process of learning and take pride in their accomplishments

OBJECTIVES OF THE PANTHER EXPLORATION

- To form attitudes and habits fundamental to life-long learning
- To develop positive and effective communication skills
- To learn to think critically, analytically and logically
- To acquire the values and skills needed to make ethical decisions
- To recognize and appreciate aesthetic and multi-cultural values

- To view oneself in the larger context of community, country and world
- To fulfill personal potential

ADMINISTRATION

The high school principal derives authority from the Board of Education through the Superintendent. The principal is legally charged with the overall operation of the school. The principal coordinates the curriculum, articulates policy, schedules classes, makes teacher assignments, and promotes positive faculty and community relations.

The administrative team is delegated responsibilities to assist the principal in the operation of the school, and a member of the team assumes duties in the principal's absence. Student affairs, student scheduling, attendance, student attitudes, student activities program, transportation, calendar of school events, and general coordination of school policies are under the team's supervision. Department chairs are delegated responsibilities to assist the principal in the area of curriculum. The attendance assistants are delegated responsibilities to assist the principal in the operation of attendance.

MSDWT CODE OF CONDUCT

VISION FOR POSITIVE SCHOOL CLIMATE

MSDWT supports students' development using research-based best practices to strengthen engagement and relationships under the principle guidance of Be Safe, Be Respectful and Be Responsible. These principles provide an important foundation to guide behavior in an effort to fulfill the vision. When students have difficulty meeting these principles MSDWT commits to providing corrective responses to support students with their development, understanding and application of these principles.

BE SAFE

- Follow all school regulations and local, state, and federal laws, including those pertaining to possession, use, transmission, and/or selling of weapons, drugs, alcohol, tobacco products, cell phones, and other portable communication devices.
- Follow the rules of appropriate bus behavior as described in the transportation rules and regulations to ensure the safety and welfare of themselves and others.
- Refrain from and report fighting or any other act of violence against person or property.

BE RESPECTFUL

- Show respect and consideration for self, others, and property at all times. Exhibit cooperative behavior toward peers, teachers, administrators, bus drivers, other members of the staff, and volunteers. Take responsibility for learning by being on time to class, by being prepared with assignments and materials, by participating in class activities, by actively listening, and by making their best effort.
- Refrain from language that is profane, inflammatory, degrading, or that provokes disruptive behavior.
- Demonstrate appropriate behavior, good citizenship, and sportsmanship while participating in or attending any school-sponsored event or after-school activity.

BE RESPONSIBLE

- Demonstrate academic honesty.
- Attend school daily and remain for the entire school day. Arrive on time to all classes.
- Dress in a manner that is conducive to the learning environment.
- Refrain from and report bullying and/or harassment of any kind.

The Student Code of Conduct (SCC) is important for all members of the school community to read and understand. When all partners know, understand and follow the SCC, they will help schools be safe, respectful and productive places for all to learn and thrive.

Students: The SCC is your guide for behavior at school. Your principal, teachers, and other staff members will help you learn and understand the behaviors that are expected of you at school. The SCC describes behaviors that are expected at school and explains the consequences if you behave inappropriately. If you follow the SCC, you will be helping your school be a safe, respectful, and productive place for you and your classmates to learn.

Parents/guardians/Families/Guardians: The SCC is your guide for understanding the principles that are expected of your child while at school and the steps that will be taken if your child behaves inappropriately. Please read the SCC with your child and discuss any questions with the school principal. If you have concerns about your child's safety or behavior, please talk with your school principal so that you and the school staff can cooperate to help your child succeed.

School Staff: The SCC is your guide for supporting positive student behavior at school and understanding the steps that may be taken if a student demonstrates inappropriate behavior. If you have concerns about safety or the school's climate, please talk to your school principal or district administrator in order to identify ways to support the implementation of a safe and orderly learning and work environment that meets your needs.

WHEN AND WHERE THE STUDENT CODE OF CONDUCT APPLIES

The SCC applies to students at all times while they are on school property during school hours and immediately before and after school and at any school-sponsored event, including field trips. Incidents that occur off school grounds are generally not addressed by the SCC, however if it is determined that students have engaged in cyberbullying during non-school hours and the behavior seriously affects the climate and safety of other students in the school, administrators may implement intervention or disciplinary responses included in the MSDWT Student Code of Conduct.

MSDWT recognizes that additional steps must be taken when students with disabilities are disciplined. The SCC requires principals and school staff to follow state and federal laws concerning the discipline of students with disabilities. MSDWT is also committed to providing a free and appropriate education unhindered because of race, religion, national origin, gender, gender identity, sexual orientation, disability, economic status, and other personal characteristics or any reason not related to their individual capabilities.

RIGHTS AND RESPONSIBILITIES OF THE SCHOOL COMMUNITY

MSDWT is committed to creating positive school climates where students, parents/guardians/ guardians, and all staff work together respectfully to maintain a safe and orderly learning environment focused on teaching and learning. Students have a right to a disciplinary process that is consistent, fair, and equitably applied. Our schools are the safest and the most successful when everyone - students, parents/guardians/guardians, and staff alike - hold a set of responsibilities that promotes successful collaboration and respect for each other's roles, and all are invested in preventative and restorative discipline practices.

GENERAL INFORMATION

The rules and regulations of North Central High School addressed in the content provided in the student handbook are in effect from the time a student leaves home for school, during school hours, throughout after school activities--both curricular and extra-curricular--until the student returns home from school. School administrators, teachers, and staff are said to stand in loco parentis, in the place of the parent/guardian, during all school related activities. North Central student representatives have additional rules that apply to their behavior beyond the normal school regulations. See the Athletic Handbook for rules, which apply to athletes.

ABSENCES

For state reporting, absences from school are counted as periods missed:

1 - 3 class periods missed counts as 1/2 day absence

4 - 7 class periods missed counts as a full day of absence from school.

Students who are absent for any reason are expected to obtain assignments from the teachers' website or Canvas.

ACADEMIC HONESTY

Students in our district are expected to act with integrity and honesty. Students in our district are expected to act responsibly as they conduct inquiry and research.

The Academic Honesty Policy establishes skills and behavior that support good practices in the classroom, on homework, and on essays and examinations. This policy will be introduced, modeled, and employed throughout the school.

THE POLICY STATEMENT

The Metropolitan School District of Washington Township defines **plagiarism** as submitting the ideas or words of another as one's own without giving credit and attribution to the source from which the ideas or words were taken.

1. **Theft of Words:** One of the most obvious forms of plagiarism is the theft of the actual words of another writer. As few as three or four words strung together in a distinctive manner may be proof enough for plagiarism in a court of law.
2. **Theft of Ideas:** A clever argument or a persuasive concept taken from someone without credit to the source constitutes plagiarism even if the ideas are present in words quite different from the original.
3. **Theft of Artistic Expression:** Plagiarism is also defined as the representation of another person's creative expression as one's own. Using all or part of a design, an image, a musical composition or arrangement without giving due credit to the appropriate artist or composer constitutes plagiarism.

The Metropolitan School District of Washington Township defines **cheating** as using dishonest means to gain advantage. This includes employing any kind of secretive methods to gather information for use on quizzes, tests or homework.

An academically honest student:

- ☐ Cites the source of direct quotations
- ☐ Cites information taken from books, Internet, or any other source (e.g. History Channel, magazine, musical composition, image, etc.)
- ☐ Cites reference materials in a bibliography
- ☐ Knows what constitutes cheating and plagiarism
- ☐ Abides by the rules

An academically honest student **DOES NOT:**

- ☐ Use notes during a test unless allowed by the teacher

- Copy from another student during a test
- Copy from the homework of another student or allow another student to copy from him/her
- Hand in work as his/her own that has been copied from another student
- Do work of any kind for another student unless approved by teacher

ANNOUNCEMENTS

At a certain period of each day (to be determined prior to each school year) approved announcements are broadcast over the public address communication system. Before an announcement can be broadcast, it must be emailed in full and approved by a faculty member. The announcement may be emailed to the teacher of the activity. The teacher then forwards the announcement to the "announcement" address. The announcement must be emailed to the secretary of the assistant principal by 12:00 noon two days prior to reading the announcement. A copy of the daily announcements is posted in a designated area in the Student Center and on the school webpage under Student Announcements.

ANTI-BULLYING

"Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

- A. places the targeted student in reasonable fear of harm to their person or property;
- B. has a substantially detrimental effect on the targeted student's physical or mental health;
- C. has the effect of substantially interfering with the targeted student's academic performance; or
- D. has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school

Bullying does not include, and should not be interpreted to impose any burden or sanction on, the following:

- A. participating in a religious event;
- B. acting in an emergency involving the protection of a person or property from an imminent threat of serious bodily injury or substantial danger;
- C. participating in an activity consisting of the exercise of a student's freedom of speech rights;
- D. participating in an activity conducted by a nonprofit or governmental entity that provides recreation, education, training, or other care under the supervision of one (1) or more adults;
- E. participating in an activity undertaken at the prior written direction of the student's parent; or
- F. engaging in interstate or international travel from a location outside Indiana to another location outside Indiana.

Bullying is prohibited by the District. Students who commit any acts of bullying are subject to discipline including, but not limited to, suspension, expulsion, arrest, and/or prosecution.

ANTI-HARASSMENT

The Board of Education for the MSDWT approved policies for all employees and students of the District to maintain a learning and working environment free of sexual harassment, race/color harassment, religious (creed) harassment, national origin harassment, and disability harassment. (POLICIES 3362, 4362 AND 5517) Students or parents/guardians who feel that they have been a victim of harassment should contact the building principal.

APPOINTMENTS (DOCTOR, DENTIST, DRIVER'S LICENSE AND COURT)

The day before your appointment, the parent/guardian is to place a call to the attendance office, 317-259-5355 stating that an appointment is scheduled for the student. A green pass is issued upon receipt of the call. It then becomes the *student's responsibility to pick up* the green pass from the attendance office personnel. When the student acquires the pass, s/he may leave the building to meet the parent/guardian at the prearranged location. It is not necessary for a parent/guardian to come in and sign the student out. Due to the volume of calls, it will not be possible for the attendance personnel to telephone the parent/guardian to verify a possible appointment. If an appointment is canceled before the scheduled departure time for the student, simply place another call and the pass will be voided. The student will be sent back to his/her regularly scheduled class.

When the student returns to school after the appointment, a statement from the doctor/dentist, etc., is required to receive an excused pass for the periods missed. Without a statement, an unexcused pass will be issued.

ASSAULT, BATTERY, AND/OR ABUSIVE LANGUAGE

Assault or Battery on or Abusive Language to a School Employee--A student shall not cause or attempt to cause physical injury, threaten bodily harm, intentionally make physical contact of an insulting or provoking nature or behave in such a way as could reasonably cause physical injury to a school employee; or without provocation, use in such employee's presence opprobrious or abusive words, obscene language or obscene gestures tending to cause a breach of the peace:

- A. on the school grounds at any time;
- B. off the school grounds at a school activity, function, or event; or
- C. en route to and from school.

Assault or Battery by a Student to a Person Not Employed by the School--A student shall not cause or attempt to cause physical injury, threaten bodily harm, intentionally make physical contact of any insulting or provoking nature, or behave in such a way as could reasonably cause physical injury to any person:

- A. on the school grounds at any time;
- B. off the school grounds at a school activity, function, or event; or
- C. en route to and from school.

In simple language, fighting results in the following:

- A. a 5-day suspension for the first offense during the school year and behavioral probation;
- B. expulsion for the second and subsequent offenses during the school year.
- C. based upon the severity of the infraction, a student may be recommended for expulsion on the first offense.

In both cases students may be arrested and students may be transported to juvenile or jail depending upon the age of the student.

ATTENDANCE

Regular attendance of students is essential and expected at all times. When it is necessary to be absent from school all day, the parent/guardian is to call the school—317-259-5355—and notify the attendance secretary of the reason for the absence. **These calls are to be made every day of absence, preferably between 8:00 and 11:00 a.m. Voice mail messages may be accepted prior to 8:00 a.m. Calls received after 3:30 p.m. or the following day may result in an unexcused absence.**

The following are considered excused:

1. participates in school-sponsored field trips.
2. is observing a major religious holiday.
3. has to appear in court.
4. is scheduled to take the driver's road test for the first time.
5. is incarcerated.
6. is suspended from class or school.
7. serves as a page in the state legislative body.
8. is working at any general, city, township, special, or primary election.

Excused Absences

Excused absences are granted for all reasons stated by Indiana Attendance Statutes and School Board policies—they are as follows: the student's illness, serious illness of an immediate member of the family, or death of an immediate member of the family. (Credit for work missed during an excused absence will be recorded at full credit. Students receive two days to make up work for each day of excused absences.)

Pre-arranged absences are discouraged and will not be granted during nine weeks tests or semester exams. Pre-arranged absences may not be granted to extend a holiday or vacation break. Pre-arranged absences must be approved by the grade level administrator.

Unexcused Absences

Absences for reasons other than those mentioned above are considered unexcused. This shall include, but not be limited to:

1. missing the school bus, ride to school, or car trouble.
2. vacations or trips with or without the student's family that have not been prearranged at least three days prior to the absence.
3. absences not called in by 11:00 a.m. the morning of the absence or explained in writing and signed by the parent or legal guardian.
4. absences not validated as described above or requested by an administrator.

Excessive unexcused absences will result in immediate and firm action by the administration as outlined under Excessive Absence in the Student Handbook. All missed work and tests due to unexcused absences shall be completed. If the make-up work and tests are completed by the date set by the teacher, 75% credit of the grade earned will be recorded. In the case of truancy, no credit will be given to make-up work or tests missed. Responsibility rests with the parents/guardians and students to obtain assignments and turn them in on time. Further, parents/guardians and students are responsible to any loss of achievement that might occur as a result of unexcused absences from school/class.

BOOK RENTAL

Students are expected to use textbooks that are the property of North Central High School under the following conditions:

- a. Students will return the books to school when notified or at the end of the semester, in condition as good as when received, allowance being made for wear caused by careful use.
- b. If a book is lost, stolen, or damaged beyond use, the parent or guardian will be assessed a fee to replace the textbook.
- c. If a book is marked in, torn, defaced, or damaged in any other way, the student will be assessed a fee to repair the textbook.

BREATHALYZER

North Central students may choose to attend North Central sponsored social events. Students who choose to do so must adhere to guidelines relating to social events.

- a. Students must pass a Breathalyzer test prior to dance admittance.
- b. Students must show I.D. upon request.
- c. Students must follow all normal North Central school rules.
- d. Unless prior permission has been granted, only North Central students may attend North Central social functions.

CHANGE OF PERSONAL INFORMATION

If a student changes their name, address, telephone number, or emergency information, the student or parents/guardians/guardian should report the new information promptly to the Enrollment Secretary in the Counseling Center at 317-259-5346. Documentation for name change and/or address is required.

CHRONIC HEALTH CONDITIONS

It is the parent's/guardian's responsibility to provide necessary supplies for their student with a chronic health condition such as, doctor's notes, medications, permission forms or medical equipment and/or supplies. If parent/guardian does not provide the necessary items, the school will implement procedures (Administrative Guideline 5335) up to and including: *investigation by Social Worker, report to the Department of Child Services (DCS), and the student's exclusion from school.*

CLASS STANDING

Class standing in grades 9, 10, 11 and 12 is determined by the number of semesters of high school a student has completed:

Grade 9	0
Grade 10	2
Grade 11	4
Grade 12	6

COLLEGE CAMPUS VISIT DAYS

Seniors and juniors are allowed two (2) school days annually to make official visits to colleges and universities. The two school days do not accumulate from year to

year. Students are strongly encouraged to visit a college or university prior to deciding to enroll. The optimal time for visiting campuses is when North Central is **not in session**:

- Summer break
- Fall break
- Dr. Martin Luther King, Jr. holiday (unless used as inclement weather day)
- President's Day holiday (unless used as inclement weather day)
- Spring Break
- Weekends (most admission offices offer campus tours and Saturday appointments)

Obviously, not all of the above times will fit perfectly into everyone's timeline. If students choose to use the allotted college visit days during time that North Central is **in session**, the following steps must be completed:

1. Obtain the *College Campus Visit Form* from the attendance office. Complete the student section and obtain a parent signature.
2. Upon completion of Step 1, the grade level assistant principal must sign the *College Campus Visit Form*.
3. Meet individually with all teachers prior to departure and notify them that class will be missed. Request that each teacher sign off on the *College Campus Visit Form*. Discuss what is expected in order to make up missed class time and work, tests, papers, etc.
4. Request an official letter from the college admission office while on campus verifying campus visit (date visited and with whom) on the institution's letterhead. All admission offices are familiar with these requests and readily comply.
5. Submit both the official visit verification letter and completed *College Campus Visit Form* upon return to school to the attendance office. Both documents must be received for the college visit to be considered an excused absence. Failure to follow the policy may result in an unexcused absence.

All campuses appear "perfect" in recruitment publications. Consider staying overnight on a campus to gain a feel for the student life aspect. Wear comfortable shoes for walking around campus and clothing that is presentable and comfortable. Make final visits before the May 1- National Candidate Reply Date during spring break of the senior year.

CONVOCATIONS

Convocations are a component of the total educational program of the school. Although they are intended to be interesting, convocations are not to be considered as entertainment only. Students are expected to conduct themselves in a courteous and respectful manner when they are in the auditorium. The impressions made on others come from the student attitudes shown in the auditorium.

CRIMINAL GANG ACTIVITIES

The Board of Education (Policy 5840) prohibits criminal gang activity and similar destructive or illegal group behavior on school property, or school buses, or at school-sponsored functions. The Board prohibits reprisal or retaliation against individuals who report criminal gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about criminal gang activity and similar destructive or illegal group behavior.

DRUG AND ALCOHOL TESTING

As used in Board Policy (5532), the terms "substance use/abuse," "drug or alcohol use or abuse," "drug or alcohol problems" or similar phrases include, without limitation, the following:

- Use or under the influence of any drug, intoxicant, controlled substance, or other substance made unlawful by law or regulation.
- Use or under the influence of any alcoholic beverage or similar intoxicant.

- Use of any non-prescription or over-the-counter medication or of any other substance, legal or illegal, in a way that noticeably impairs or alters mood, behaviors, motor skills or mental functions (except use of a substance strictly in accordance with the direction of a licensed physician).

The term "use" means consuming, ingesting, drinking, injecting, demonstrating, inhaling, or smoking drugs or alcohol. The term "under the influence" means any positive test that was administered under this policy. Any confirmed evidential breath test with a value of .020 or greater is the definition of under the influence of alcohol. The term "alcohol" means ethyl alcohol and includes all beverages, mixtures, medications, inhalants, or preparations which contain ethyl alcohol. The term "drug" means any substance that has known mind or function altering effects upon the human body or that impairs one's ability to safely perform his or her work, and specifically includes, but is not limited to, all prescription and over-the-counter medications, all psychoactive substances, all controlled substances, all substances illegal under Federal or Indiana law, all synthetic, counterfeit or designer drugs, all "look alike" drugs, all drug paraphernalia, and nicotine.

As used in this policy, "reasonable suspicion" includes observation of the negative behaviors and actions set out above as indicators of a problem; specific observations concerning the appearance, behavior, body odors, or speech of a student; information received by the principal or his designee from teachers, parents/guardians, students, employees, or detection devices; the past record of a student in connection with any of the above listed factors; an accident involving a motor vehicle (cars, motorcycles, motor bikes, etc.) before, during, or after school hours at school or in any other "School District location" defined as any school building and on any school premises; in any school-owned vehicle or in any other school approved vehicle used to transport students to and from school or school activities; on or off school district property at any school sponsored or school approved activity, event, or function, such as a field trip or athletic event, where students are under the jurisdiction of the School District; or during any period of time students are under the supervision of employees who are working on behalf of the District or otherwise engaged in District business.

Students will be required to submit to a drug and alcohol test in accordance with rules and regulations to be developed by the Superintendent in the following circumstances: The student violates the District policy and/or the school rules pertaining to use, possession, and/or being under the influence of drugs and/or alcohol, or if an administrator, teacher, or other staff member has reasonable suspicion that a student might be using drugs and/or alcohol.

A student's refusal to submit a drug and alcohol test or to provide a valid specimen will be considered admission of a violation of the District policy and school rules pertaining to the use and possession of drugs and alcohol and may subsequently result in a recommendation for expulsion. If the laboratory reports the presence of an adulterant in the specimen provided, the District shall deem it a refusal to provide a valid specimen. A violation of this District policy or any school rule will be dealt with in accordance to the District's policy on student suspension and expulsion (Policy 5532).

Failure to participate in any recommended program for assistance and treatment will result in a recommendation of expulsion.
2. Second Positive Test - When any student tests positive a second time (not including a prior retest that was paid by the parent/guardian), the student will be suspended, and the school will initiate a request for the student's expulsion.

Freshmen and sophomores are scheduled for a full school day.**

It is also understood that students with late arrival need to be on campus in time to park and be in class at the start of period 2. Students who are tardy to

period 2 will lose their late arrival privilege and be assigned to a Study Hall period 1.

ELEARNING DAYS

eLearning days, also known as At Home Learning days, may be used in the event of inclement weather or other special circumstances so that learning can continue without the need to be at school. These days will involve the student completing school work at home and could include the student using their school-issued device. While many of these activities may require a network connection, ample time will be given to students for completing their assignments if they do not have access to a network connection.

ELECTRONIC DEVICES

Electronic devices are allowed during non-instructional times (before school, passing periods, lunch, and after school). Electronic devices with headsets are permitted provided that the volume is not audible. These devices will be confiscated at the discretion of the teacher and given to an administrator if used at inappropriate times. If confiscated, they may be retrieved by a parent/guardian in the Dean's Office. The school assumes no responsibility for any of the above referenced items. Students who violate this school expectation may receive disciplinary action.

ELEVATORS

The elevators are not for general student use. If it is necessary for students to use an elevator, either on a temporary or permanent basis, they will obtain permission from an assistant principal or the health center personnel.

ELIGIBILITY

In addition to the eligibility requirements established by IHSAA (applicable to athletes), to be granted initial eligibility for any athletic or extra-curricular activity, all students must have a passing grade in five classes on the first official day of IHSAA and/or Club Sport sanctioned practice, or extra-curricular activity. The school administration considers loitering in the school building a serious offense. Students who leave school grounds are not allowed back onto property unless coming back at the appropriate time for a school sponsored event. Students who leave the campus after school and return will not be permitted to ride the late buses for safety and security reasons.

ENROLLMENT

Students who live within the boundaries of the school district, or are approved Non-Resident students may enroll. The enrollment process is handled through the Counseling Office.

EXCESSIVE ABSENCE

Frequent and prolonged absence is in violation of the compulsory school attendance statute. Excessive absence, whether excused or unexcused may result in failure and withdrawal from a course or school.

North Central High School defines excessive absence as twelve (12) absences or tardies per semester from an individual class. However, when a student reaches nine (9) absences, a parent/guardian-student-administrator conference will be held to discuss the student's absences.

If no valid extenuating circumstances are found, the student's grade for the course in question may convert to a "WF" (withdrawal from the course with failure). If the absences are all day absences from school, due process, expulsion from school may be initiated.

FERPA

The District forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer. The District will include information regarding students' suspensions and expulsions to these agencies and institutions.

School officials, as defined by FERPA may access students' Personally Identifiable Information (PII) without student or parent consent. For this purpose, school officials includes but is not limited to a teacher, school administrator, district administrator, board member, Registrar, counselor, admissions officer, attorney, human resources personnel, information systems specialist, support staff, clerical staff, School Resource Officer, or School Police Officer. In some instances, contractors, consultants, volunteers, or other third parties to whom the District has outsourced certain functions to perform a function for which the District would otherwise use employees, and of whom are under the direct control of the District with respect to student records, may access students' PII.

FIELD TRIPS

Educational field trips may be planned by classes or school organizations. A student going on such a trip is to complete a Field Trip Permit, signed by his/her parent/guardian, and return it to the classroom teacher or sponsor prior to the trip. Students are to inform teachers prior to missing a class for a field trip and are responsible for any school work to be made up. Students who do not have a 2.0 GPA and passing five (5) classes will not be allowed to participate in field trips. This includes Performing Arts and JROTC related field trips.

Parents/guardians need to call for an enrollment appointment to meet with a counselor to select classes.

The Board of Education does not permit a resident student who is being educated at a non-accredited or home school to participate in any of the Corporation's co-curricular or extra-curricular activities.

Students who participate in the curricular program of the corporation will be counted as enrolled students in the ADM to the extent allowed by Indiana Law and must participate in the required state and local standardized testing programs as determined by the Indiana Department of Education.

Students who request transfer of credit from home-schooling to North Central must submit course syllabi and evidence of completed coursework to individual department chairs. Students seeking transfer of credit will take semester criterion-referenced tests and submit portfolios for assessment.

Each student will be issued a student ID card, which is to be worn by the student at all times. It is to be shown upon request of any staff member and needs to be presented to gain admission to many school functions as well as Health Center, Information Center, and/or Learning Center. Failure of a student to properly identify themselves to any staff member when requested to do so may result in suspension or expulsion recommendation from school. If a student loses the student ID card, it must be replaced immediately. The student must report to the Counseling Office for a replacement identification card. Student pictures will be taken before school and during the lunch periods. There will be a charge of \$5.00 for each replacement.

OFF SITE COURSES

Courses taken through On-line or University programs must be pre-approved by North Central counseling before credit is given. The approval process starts with the student's counselor. A permission letter is needed before a student enrolls in any course outside of North Central for which a student wishes to earn credit. North Central department chairs determine coursework eligibility for credit.

PASSES

There are four types of school passes. Blue passes are used only by administrative personnel and may excuse students from any class at any time if the word "now" is written on the pass. Otherwise, the student should be excused at a convenient time in order to miss as little class work as possible.

White passes are used only by Student Services personnel and green passes are used only by attendance office personnel.

Pink passes may be used by any teacher and may excuse students from study halls or from the class of the teacher issuing the pass. It is not used to excuse stu-

dents from regularly assigned classes of other teachers.

Please see the Library section for more information.

POSTERS

Posters and other signs publicizing school events are to be placed within the student center, hallways and the cafeteria. Before posting, all posters must be approved by the principal or the principal's designee. Posters may not be displayed on display cases for any reason.

PREARRANGED ABSENCES

If a student needs to be out of town for a wedding, religious conference, family vacation, or absent for any reason which does not constitute an excused absence, a Prearranged Absence Form (pink) is required. The form may be picked up from attendance personnel prior to the dates absent. There will be no provision for prearranged absences during the final week of any grading period or for any class during summer school. There are also no prearranged absences during the week of, prior to, or following a school vacation period.

The form requires the signature of a parent/guardian, an assistant principal, and any teacher whose class will be missed. Homework assignments may be given prior to the absence, or upon the student's return, at the individual teacher's discretion. The homework/assignment section of the form will be returned to the student upon receipt of the signed form. Make-up work for full credit is granted in the prearranged category. A student must have the prearranged absence form completed **three (3)** days prior to the absence in order for make-up work to be granted for credit.

It is the decision of the school administrator to determine if a prearranged absence will be granted. This is a privilege. It is not a right. Students who have poor grades (do not meet standard of participation) or poor attendance may be refused a prearranged absence. Long term prearranged absences are generally not approved.

PUBLICITY

Posters publicizing non-school events may be posted in the display case at the west end of the upper Student Center. Posters should be taken to the Assistant Principal in charge of Student Activities for approval.

RANK IN CLASS

Rank in class at North Central is determined by dividing the total number of grade points earned by the total number of credits attempted. North Central's system of weighting classes is figured into the determination of class rank at the end of each semester. Students should check the section under Weighted Courses for further information about how this system works.

Points are assigned to grades as follows:

A = 4.0000	C = 2.0000
A- = 3.6667	C- = 1.6667
B+ = 3.3333	D+ = 1.3333
B = 3.0000	D = 1.0000
B- = 2.6667	D- = 0.6667
C+ = 2.3333	F = 0.0000

ROOM NUMBERS

All rooms with numbers below 300 are located on the first floor; those with numbers above 500 are on the second floor. All numbers are prefaced by the letter of the hall in which the rooms are located. For example, room N704 is located on the second floor in N hall. In the Career Center, all rooms are numbered in the 300 and 400 series. These rooms are also prefaced by the letter of the hall. A map of the school floor plan is included in this handbook. Room numbers are subject to change as North Central is currently under construction.

SCHOOL ISSUED DEVICES

For the purpose of improving 21st Century Skills in and out of the classroom, students may be assigned a school-issued technology device. The grade level of the student will determine the type of device as well as whether it stays primarily at school or remains with the student.

These devices may be sent home with students in special circumstances such as an eLearning day. Whether the device is being used at home or in the classroom, the device remains the property of M.S.D. Washington Township at all times. Therefore, there is no assumption of privacy. M.S.D. Washington Township reserves the right to inspect student devices at any time during the school year.

Technology, on or off-campus, must be used in accordance with the mission and philosophy of M.S.D. Washington Township as well as the Acceptable Use Policy for Technology as stated in the Student Handbook. Teachers may set additional requirements for use in their respective classes. Misuse of the device may result in disciplinary action.

SELLING IN THE BUILDING

All selling of any kind is strictly prohibited unless it is a school fundraiser approved by the principal or designee. Products approved are to be sold in the North Central High School Student Center. If a student is found selling in the building, the items will be confiscated for a parent or guardian to retrieve from the office, and disciplinary action is possible, suspension or expulsion depending on the severity. All questions related to fund-raising (selling) are to be referred to the principal.

STANDARDS FOR PARTICIPATION IN SCHOOL ACTIVITIES

Students who represent North Central High School should demonstrate behavior that reflects positively on themselves and their school. Therefore, the following standards of academic achievement, behavior and attendance have been established.

A. Academic Achievement

Detailed eligibility found in the Student Handbook.

B. Good Citizenship

1. **Standards of Participation** -- Any student in arrears may not be allowed to participate in student activities. All participating students are expected to display good manners and responsible behavior. Inappropriate appearance, speech and actions bring discredit to the student, the group and the school. These standards are minimum expectations for participation in all school activities and grounds to remove the student from extra-curricular activities for all or part of the school year. Athletic teams, which operate under IHSA standards covered in the North Central Athletic Handbook, may be more specific in nature. Since these are minimum standards for all students, individual groups/organizations may establish additional, more stringent standards. Listed below is a **sample** (not a complete list) of the many activities to which these standards apply:

Academic Teams	JROTC Staff and Teams	Athletics Clubs
Student & Class Councils	Nominees for Kings and Queens	Student Assistants
Student Leadership Camp	Drama Groups	Junior Spectacular
Hoosier Boys' and Girls' State	Speech Teams	

2. **Violations and Consequences**--If the adult(s) in charge of any school activity determines that the above minimums are not being met, the students may be prohibited from participating. Though this applies to all school activities, it is especially critical for students in leadership roles and candidates for all school or class offices.
 - a. Students in leadership participant roles:
 1. Any elected or appointed student leader or participant of a North Central organization shall lose the leadership or participant position if found possessing, using, selling, or transmitting any drugs, alcohol, and/or other illegal substances.
 2. Smoking and/or possessing tobacco products on school premises shall also result in the loss of the leadership role.
 3. Violation of any school rules, which results in an out-of-school suspension, shall result in the loss of the leadership role. One tardy to class, which results in a suspension, does not apply here. Subsequent tardies/suspensions will apply here.
 4. Ineligibility for leadership roles remains in effect for one calendar year from date of occurrence of the violations.
 - b. Candidates for all-school or class offices:
 1. The above standards also pertain to such candidates.
 2. Ineligibility for leadership roles remains in effect for one calendar year from date of occurrence of the violation.
 - c. Students on school probation: Such students may not represent the school in public presentations, conferences, competitions, or similar events.

C. Attendance

1. Students must attend a minimum of 4 classes on the day they wish to participate in a school sponsored event. Friday's attendance will be used to determine weekend participation.
2. Referral to the Excessive Absence Review (E.A.R.) Committee will result in suspension from participating in the following school activities:
 1. Public Performance;
 2. Team Competition; and
 3. Office Incumbency
3. Students will remain suspended until a final determination is made by the E.A.R. Committee.

SUMMER SCHOOL

Students may earn extra credits during Summer School in their four years.

North Central's Summer School is one session for fifteen (15) days each. In-person classes are five hours daily. A student is allowed only one absence. A student may be withdrawn from summer school for any of the following reasons:

1. The student is failing a course after the first four days of class with no chance of passing the course.
2. The student is disrespectful to an adult, a class or him/herself.
3. The student misses two days, when class time is missed due to tardies, or for being sent to the office for disciplinary reasons.
4. Students are not permitted to miss the final day of summer school.

SUSPENSION OR EXPULSION

Students under suspension or waiting for a decision on an expulsion recommendation are expected to keep up with all assignments. Check the teachers' website, Canvas or the Homework Hotline. This applies to all classes except those with a laboratory or career program. Students may continue with assignments until the recommendation for expulsion has been finalized. Those serving a suspension or recommendation for expulsion may submit make-up work for full credit at one make-up day per each day of school missed. If the student is expelled, then the direction of the school will be reflective of the hearing examiner's findings/actions taken.

Definitions

TARDINESS

Students arriving to school after 8:30a.m. should report to the attendance office. Students late to school due to an excused reason will be sent immediately to class from the attendance office. Tardiness due to a student's bus arriving late is excused. Tardiness due to oversleeping, car trouble, etc. is not excused. Students who

drive may lose their driving privileges for tardies to school. Corrective responses begin when a student reaches 4 tardies.

The building is large and there are many students passing to classes. Students will not have time to socialize between class periods. With a little planning and a conscientious effort, every student can be on time.

TRANSITION TO HIGH SCHOOL

An important part of a child's educational journey is the transition from middle school to high school. North Central has many activities designed to assist students and parents/guardians in the important transition from middle school to high school. A few are highlighted below:

- Open House: held each fall, is a Big Picture view of North Central from A to Z.
- Curriculum Night: Highlights our broad curricular offerings to 8th graders and parents/guardians.
- PantherQuest: Nationally known, day-long camp like experience during the summer to acquaint incoming 9th graders with their new school.

TRUE NORTH ACADEMY (ALTERNATIVE HIGH SCHOOL SETTING)

All students assigned to True North Academy are North Central students who are subject to all expectations, rules and policies of North Central High School and the MSD of Washington Township.

The purpose of True North Academy is to provide North Central students with an alternate educational path to graduation.

- Through an individualized approach to teaching and learning, it is the expectation that students will become active participants in achieving their educational and career goals.
- Targeted educational services will assist students in obtaining their high school diploma.
- Utilizing both on and off campus learning opportunities, students will be able to fulfill their high school educational goals and start down the path of career opportunities.

TRUTHFULNESS

It is expected for each student to be truthful when answering questions from any adult. It is the obligation of any student to be truthful to any adult. Failure to be truthful may result in a student being suspended for failure to comply with the directions of school personnel. This is grounds for suspension or expulsion from school.

VALUABLES

Students should not bring large amounts of money or valuable personal items to school. **The school is not liable for stolen or lost items.** Students can fill out a Theft Report in the Dean's Office and if the item is recovered, every effort will be made to return the item to the student.

VISITORS

A student wishing to bring a guest to the school should make arrangements with the Director of Counseling at least 72 hours prior to the planned visit in order to obtain a visitor's pass. Student visitors from any Marion County school, Indianapolis City school or other nearby school corporations are not permitted. Although other student visitors are welcome, they are not to be invited to visit school during the weeks of nine-week or semester examinations or immediately preceding or following a school recess period.

Recent legislation in Indiana has made it a misdemeanor to go on or remain on any part of school property in violation of any school rule or to interfere with the lawful purpose of the school. It is also a violation of the law to refuse to leave the school premises when ordered to do so by any school official. Therefore, any visitor in the building must have written permission to remain. An Administrator reserves the right to deny any visitor access to school grounds.

Any pre-school age child coming to school for a class project shall be in the school only during the period of time of the project. Otherwise students should not bring pre-school age children to North Central.

WEIGHTED COURSES

North Central's weighting system is intended to recognize and reward academic work over a four-year period in selected courses where student work is judged to be significantly above that present in the college preparatory program. In particular, this system of weighting will be part of determining students' grade point averages and class ranks. The GPA is established by totaling all earned points and dividing by the total number of credits attempted.

North Central uses a 4-point grading scale, which incorporates pluses and minuses within each grade range. (See section on grading scale).

For students taking weighted courses, the GPA is adjusted using the following formula:

A weighting factor of .2 is multiplied by the total number of weighted courses taken and then divided by the number of high school semesters completed. The quotient is then added to the GPA established by the actual earned grades in all course work.

WITHDRAWING FROM CLASS

A student may withdraw from a class without grade penalty each semester anytime up to the date determined by administration. The student should contact his/her counselor to initiate this process. Students are responsible for paying all book rental and lab fees unless they withdraw by the date announced by the administration.

WITHDRAWING FROM SCHOOL

Students who leave school because their family is moving, or for any other reason, must obtain a withdrawal form in the Counseling Office. It is very important to follow the official withdrawal procedure. If all accounts are not cleared, students who transfer to another school may experience a delay in receiving a transcript of their credits from North Central.

The student's parent/guardian needs to sign a form to authorize the sending of his/her records to the new school.

STUDENT SERVICES

BOOKSTORE

Students may obtain supplies such as pens, pencils, paper, gym apparel and other items normally necessary for a student's use at North Central in the school bookstore. Students may purchase equipment from the bookstore between the hours of 8:10 a.m. and the end of Period 8.

BULLETIN BOARD

The bulletin board on the second floor of the Student Center is maintained for personal announcements and comments of North Central students. Items displayed may consist of notices of articles for sale, civic events, church or temple-sponsored events or editorial commentaries. Materials may not include personal attacks or obscenities and all statements must be valid. All comments and notices must be signed by the student who submits the item for posting. Information for the bulletin board should be brought to the office of the assistant principal in charge of student activities.

BUSES TO ATHLETIC EVENTS

Township buses are provided to transport students to and from athletic events, providing there is sufficient interest in the event to warrant taking the bus. Students may be charged a nominal fee for this transportation.

Following a game, students must return to the school on the same bus in which they went to the game. It is imperative that when school officials accept the responsibility for taking a student to a ballgame, they also accept the responsibility to bring the student back to school. Any student disregarding this request will not be allowed to ride to any future athletic events on buses provided by the school.

CAFETERIA

Washington Township participates in the USDA School Breakfast, Lunch, Snack and Summer Feeding programs. These programs play a critical role in supporting academic achievement & combating childhood hunger and obesity. OUR MISSION is to provide nutritious, high quality, cost effective meals that provide students with healthy choices for developing positive life-style decision making. For valuable information about these programs please visit the webpage at <https://www.msdt.k12.in.us/child-nutrition-services>. On this page, you will find menus, meal prices, nutritional information, and applications with instructions regarding applying for meal and textbook assistance. A meal and textbook assistance application must be completed every school year and the quickest and easiest way is on-line at <http://cafe.msdt.k12.in.us>.

Cafeteria: Breakfast is served at North Central between 8:00 and 8:19 a.m. Lunch is served in the school Cafeteria during periods 4, 5, 6, 7 and 8. Students may go directly to any one of the lunch lines. Since there are ample serving lines, there is no need for running to the Cafeteria. Students are not to cut in line. They may sit at any table of their choice. Each student must use a tray to purchase anything in the Cafeteria. After eating, students must return their trays to the conveyor belt and students are expected to throw trash into available containers. **Food is not to be eaten outside of the Cafeteria during the school day.** After students have finished eating, they may stay in the Cafeteria or go to the lower Student Center. Students may wish to go to the Counseling Center at this time to arrange for an appointment with their counselors. Unless they have a pass, students may not go into classroom areas during lunch periods. It is the responsibility of students to display positive acts of good citizenship at all times.

Student ID: A Student ID serves as a debit card and is required to quickly access the meal account and make purchases for breakfast, lunch and extras. Cashier will ring up all items on the tray and the total amount of the sale will be deducted from the pre-paid balance in the account. Extras cannot be purchased without money on the account and charging of meals is not allowed.

Meal Payment Procedure: All school cafeterias use a pre-pay meal account system. A pre-paid meal account helps the lunch lines move faster and gives students more time to eat, relax and visit with friends. Online payments are simple, safe and a secure way to make payments to your students account 24 hours a day at your convenience. Visit www.mypaymentsplus.com or download the app to register for a Free Account and begin making payments.

Check or Cash: Lunch lines are now Cashless! If using check or cash, the payment must be placed into the Meal Payment Drop Box before entering the serving line. Place the cash or check in a sealed envelope marked clearly with student's name, ID#, \$ amount, check number, and put in the Meal Payment Drop Box located in two locations outside the cafeteria. Payments received before 10 am will be on the student's account before lunch. If cash is received at checkout change will not be given but deposited into the student's meal account. If a check is returned for Insufficient Funds, the school district will assess a \$25.00 fee per check.

Refund or Fund Transfer Request: Students leaving the district or graduating seniors who have a balance on their school meal account may request a refund, transfer money to a sibling or donate to the Lunch Donation Fund by completing the [Refund Request Form](#). Refunds in the amount of \$5.00 or less can be issued by visiting your school cafeteria. **IMPORTANT:** Before requesting a refund log onto www.mypaymentsplus.com and disable any automatic repayment feature you may have set up on the account. Your credit card **WILL** be charged if automatic repayment is **NOT** disabled.

SPECIAL MEAL ACCOMMODATIONS

Washington Township Schools adheres to specific USDA guidelines in providing special diet accommodations for students. In accordance with the criteria set forth in USDA Regulation 7 CFR Part 15b, those students who are unable to eat the school meal due to a disability, medical need, or impairment are accommodated. Dietary needs due to lifestyle and religious reasons are important to our school but not a requirement by USDA to make accommodations. Our school will try to accommodate lifestyle and religious needs through our current menu options.

In many cases, students do not require special meal substitutions, instead foods can be avoided, and other choices picked. Point-of-sale alerts are used to monitor students with medically documented life threatening allergies. A signed medical statement must be provided to the school nurse in order for these alerts to be set in the cafeteria.

Please refer to the MSDWT Child Nutrition webpage for more detailed information on medical statements for children with special dietary needs and milk substitutions.

COUNSELING

The Counseling Department staff of North Central High School is dedicated to helping students make good decisions throughout their high school years. Twelve licensed school counselors, a Coordinator of College/Career Counseling, two Social Workers and three secretary’s work together to deliver a variety of counseling services. All students have an alphabetically assigned counselor who stays with them for their four years of high school. Counseling programs are generally divided into the areas of academic planning, career and post-secondary planning, student support services, and college admission planning. Personal concerns may be discussed confidentially one-on-one or in a small support group setting. Counselors will meet with each student periodically but students are encouraged to contact their counselor whenever they need assistance. A student may initiate a conference by stopping by the Counseling Center during passing periods, lunch periods, before or after school to complete a “Conference Request” form. Students are then called out of study hall or class with a Counseling pass or Canvas notification. Students must have their student ID cards with them to be admitted to the Counseling Office.

HEALTH CENTER*

The Health Center is open daily from: 8:00 a.m. – 4:30 p.m. for health needs or consultations for students who are in possession of their current North Central student ID cards. Students must obtain a pass from their classroom teacher to gain admittance to the Health Center.

IMMUNIZATION REQUIREMENTS

Indiana law (IC 20-34-4 et seq., POLICIES 5320, 5330, 5340 AND 5341) requires that whenever a student enrolls in school, the parent/guardian must furnish a written statement of the student’s immunization unless such a statement is already on file at the school. The statement must be accompanied by a physician’s certification of the immunization history. The parent/guardian must furnish this statement upon enrollment.

If the student does not meet the immunization requirement pursuant to I.C.20-23-4-2, the student will be removed from school until the parent/guardian can provide proof of Immunization unless:

1. There is a valid religious objection under I.C.20-34-3-2;
2. An exception as provided for the child’s health under I.C.20-34-3-3; or
3. For chicken pox, the parent provides a signed written statement that the student indicated a history of chicken pox.

LOCKERS

Students may request a locker. Lockers at North Central are coded with a letter followed by a number. The letter indicates the hall and the first number indicates the floor; e.g. 1 indicates 1st floor, 2 indicates the 2nd floor.

Students may not share lockers.

Locker combinations are confidential in order to protect the property of students. The school cannot be responsible for any damage or loss of property if a student inappropriately shares the locker combination. To be sure the locker locks when closed, spin the dial and try the handle. Any questions concerning lockers should be directed to the assistant principal in charge of lockers.

The student's use of the locker does not diminish the school's ownership or control of the locker. North Central retains the right to inspect the locker and its contents to insure that the locker is being used in accordance with its intended purpose, and to eliminate fire or other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials and to prevent use of the locker to store prohibited or dangerous materials such as weapons, illegal drugs or alcohol.

1. **Locks:** North Central will retain access to student lockers by keeping a master list of combinations for all lockers with combination locks and by retaining a master key for all lockers with pad locks. Students may not use their own locks or other devices to prevent access to lockers by school officials, and any unauthorized locks or other devices to prevent access may be removed without notice and destroyed.
2. **Use of Lockers:** Lockers shall be used only to store school supplies and personal items necessary for use at school. Lockers shall not be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purpose or an educational function, or which are forbidden by state law or school rules, such as drugs, drug paraphernalia, beverages containing alcohol, tobacco, obscene material, weapons, any flammable substance, bombs or explosive devices, any pungent acid or nauseous chemical, any Information Center books not properly checked out or overdue, unreturned gym or athletic equipment, or any stolen items. Students shall keep their lockers in a clean and sanitary manner.
3. **Authority to Inspect:** North Central retains the right to inspect lockers to insure that they are being maintained in accordance with the conditions of Rule No. 2. All inspections of student lockers shall be conducted by the principal or a member of the administrative staff designated in writing by the principal. A copy of the list of those staff members designated by the principal to inspect lockers shall be available in the principal's office.
4. **Inspection of Individual Student's Lockers:**
 - A. The inspection of a student's locker will not be conducted unless the principal or the principal's designee has a reasonable suspicion to believe that the locker to be inspected contains items which cause, or can reasonably be foreseen to cause, an interference with school purpose or an educational function, or which are forbidden by state law or school rules. ["Reasonable suspicion" as used in these rules may be based on a number of factors including, but not limited to, (1) information received by the principal, or the principal's designee, from teachers, students, law enforcement officers or detection devices including trained dogs, (2) the past records of the student whose locker is to be inspected, (3) the seriousness of the problem to which the search is directed, such as violence or drug use in the school, and/or (4) the behavior of

the student (for example, indications that the student is intoxicated).]

- B. Before a student's locker is inspected, the student, if present on the school premises, shall, when possible, be contacted and given the opportunity to be present during the conduct of the inspection. There may be circumstances which require that the inspection be conducted without delay in order to protect the health and safety of others present on school premises. In such circumstances, it will not be possible to contact the student prior to the inspection. Whenever an individual student's locker has been inspected under this rule without the student's presence, the principal or the principal's designee shall notify the student of such inspection as soon as practicable thereafter.
 - C. Except in an emergency the designated administrator will be accompanied by another staff member when searching an individual student's locker.
5. **General Inspection of Lockers:**
- A. An inspection of all lockers in the school or all lockers in a particular area of the school, may be conducted if the principal, the principal's designee, superintendent or assistant superintendent reasonably believes that such an inspection is necessary to prevent, impede or substantially reduce the risk of (1) an interference with school purposes or an educational function, (2) a physical injury or illness to any other person, (3) damage to personal or school property, or (4) a violation of state laws or school rules, including, but not limited to, the following circumstances justifying a general inspection of a number of lockers:
 - (a) the school corporation's having received a bomb threat;
 - (b) evidence of student drug or alcohol use, which creates a reasonable belief of an unusually high level of student use;
 - (c) checking for missing Information Center books, lab chemicals or other school equipment or school supplies at mid-term, end of grading periods and/or before school;
 - (d) student violence, or threats of violence, which creates a reasonable belief that weapons are stored in the lockers.
 - B. If a general inspection of a number of lockers is necessary, then all lockers in the defined inspection area will be examined. Students will not necessarily be given the opportunity to be present while a general inspection is being conducted.
6. **Student Material:** When conducting an inspection pursuant to these rules, the inspector shall take care to avoid unduly disrupting the contents of the locker or intruding unnecessarily into any student's written material located in the locker. In addition, as to written material, the inspection will be kept to the minimum level necessary to determine that such material is not in itself, or being used to conceal, contraband.
7. **Involvement of Law Enforcement Officials:**
- A. The principal, or his designee, may request law enforcement officials to assist the school administrators in inspecting lockers or their contents for purposes of enforcing school policies only if such assistance is required:
 - (1) to identify substances which may be found in the lockers; or
 - (2) to protect the health and safety of persons or property, such as to aid in the discovery and disarming of bombs which may be located in the lockers.
 - B. If a law enforcement official requests to inspect a student's locker or its contents, the principal shall require the production of a search warrant before allowing such official to inspect.
 - C. School administrators shall not make an inspection of a locker or its contents on behalf or in the place of law enforcement officials. The principal may cause a locker inspection to be performed for school purposes if information supplied by law enforcement officials gives rise to a reasonable suspicion that a locker contains contraband.
8. **Locker Cleaning/Repair:** Nothing in these rules shall affect members of the custodial staff who, at the direction of the principal, clean and/or repair (a) lockers from time to time in accordance with a general housekeeping schedule or (b) the locker of a student no longer enrolled in the school. Further, a member of the custodial staff may open a student's locker during any vacation period if he or she has reason to believe this locker contains rotting, spoiling or mildewing items such as food, wet clothes, etc.

MEDICATION AT SCHOOL

In order to protect the health and welfare of students, Indiana law (IC 34-30-14-1 et. seq.) and 511 IAC 7-21-8 requires that schools observe certain safeguards in the administration of medication. As a general matter, the school is not responsible for the diagnosis and treatment of student illness. If medication is to be administered to a student at school, the following procedures must be observed.

Prescription Medication

- 1. A prescribing physician or practitioner must provide a written order stating the name of the student, the amount of medication to be administered, identification of the medicine, directions for proper administration of the medication, and the signature of the physician or practitioner.
- 2. Written consent of the parent/guardian for the school to administer a prescribed medication must be on file with the physician's or practitioner's written order.
- 3. Students are not permitted to keep medication in their possession; therefore, the necessary forms and the medication must be turned in to the school office as soon as it is brought to the school building. The medication must be brought to school by the parent/guardian and kept in the original container provided by the parent for preschool special education and grades k-8 students. North Central students may transfer medication to and from school if Form (5330 F/C or F/D) is on file and signed by parents/guardians.
- 4. Both the physician's or practitioner's order and the written parent consent will be maintained on file at the school, and will be valid for ONE academic year.
- 5. Any withdrawal of consent to administer medication must be made in writing by the parent/guardian to the building principal.
- 6. Self-administration of medication for acute and chronic diseases requires authorization on file. The authorization must include a physician's statement that the student has an acute and/or chronic disease or medical condition for which the physician has prescribed medication; and the student has been instructed in how to self-administer the medication; and the nature of the disease or medical condition requires emergency administration of the medication. The statement must be filed annually with the school. If it is necessary to remove medication once sent to the School Health Center, the parent/guardian of preschool special education and grades K-8 students must make arrangements to go to the school and pick it up personally.
- 7. All medication must be given by school employees or persons designated by the school administrator.
- 8. It is the responsibility of the parent/guardian to see that the student's prescription is filled and sent to the office on a regular schedule so that his/her medical and educational needs are not disrupted.
- 9. For preschool special education and grades K-8 students, all medications held by the school must be picked up by the last day of school or they will be destroyed. North Central students may transfer home medicines if Form 5330 F/C or F/D has been signed by the parent/guardian and is on file.

Non-Prescription Medication

1. Written consent of the parent/guardian must be on file and shall contain the name of the student, identification of the medication to be administered, directions for administration of the medication, and the signature of the parent/guardian. Medicines must be sent in the original container.
2. Parental consent must be kept on file at the school and is valid for ONE academic year.
3. Any withdrawal of consent to administer medication must be made in writing by the parent/guardian to the building principal.
4. All procedures pertaining to the administration of prescription medication shall apply to non-prescription medication.
5. For special education preschool and grades K-8, all medication held by the school must be picked up by the last day of school or it will be destroyed. North Central students may transfer home medicines if Form 5330 F/C or 5330 F/D has been signed by the parent/guardian and is on file.

An accurate log of all medications administered to students must be maintained by school employees or designated persons responsible for administering medications.

PARENT TEACHER ORGANIZATION

The North Central Parent Teacher Organization is the parent/guardian, student, and teacher organization of the school. All parents/guardians/guardians, teachers and students are invited to join. The dues are \$10.00 per family per year. Parents/guardians/guardians receive notification of all meetings through *The North Central Message* which is published nine times per year and electronically sent or mailed to every family. It is also available to view on the North Central web site.

The P.T.O.'s over 300 active volunteers primarily assist in staff support and event hospitality. As one of its many contributions to the school, the Parent Teacher Organization has purchased paintings for the art collection located throughout the building.

SEARCH AND SEIZURE

The Board of Education recognizes its obligation to balance the privacy rights of its students with its responsibility to provide student, staff, and authorized visitors with a safe, hygienic, and alcohol/drug-free learning environment (Policy 5771). The Board directs administrators, when there is reasonable suspicion that a violation of the District policy, school rules, the student Code of Conduct, or the laws of the State of Indiana has occurred, to conduct a search of a student and the student's belongings, including the student's vehicle.

Anything found in the course of a search pursuant to Policy 5771 which constitutes evidence of a violation of a law, District policy, or school rule or which endangers the safety or health of any person shall be seized and used as evidence if appropriate. Seized items of value shall be returned to the owner if the owner may lawfully possess the items.

Disposal of Confiscated Contraband: All contraband confiscated from lockers may be disposed of by the principal or the principal's designee as he or she deems appropriate, including, but not limited to, (a) return to the proper owner or place; (b) use as evidence in a student discipline proceeding if possession of the contraband constitutes a ground for suspension or expulsion; (c) delivery to the appropriate law enforcement officials for prosecution purposes if possession of the contraband constitutes evidence of a crime; or (d) destruction.

A parent/guardian seeking return of confiscated property involved in the discipline of a student will be required to:

- Provide picture identification such as a current Indiana driver's license, Indiana identification card, or the equivalent credential from another state, or passport;
- Provide proof of ownership of the confiscated property.

Metal Detectors

The Superintendent is authorized to install metal detectors and video and audio monitoring equipment on school property in order to protect the health, welfare and safety of students, staff, visitors, and Board property. The Superintendent is also authorized to deploy other security devices, including hand held metal detectors, that would assist in the detection of contraband such as weapons or drugs in school buildings; on Corporation property; and/or at school activities held off site. Free standing or hand held metal detectors will be used in a manner consistent with Board Policy and Administrative Guideline 7440.

Student Lockers, Desks, Storage Areas

A student who uses a locker, desk, and/or storage area that is the property of the Metropolitan School District of Washington Township is presumed to have no expectation of privacy in that locker or the locker's contents.

A principal or principal's designee may, in accordance with the rules of the Board of Education, search a student's locker and the locker's contents at any time. In addition, any teacher or member of the administrative staff may search student desks and storage areas at any time.

A law enforcement agency having jurisdiction over the geographic area in which the school is **located** may:

- (1) at the request of the school principal; and
- (2) in accordance with rules of the Board of Education of the Metropolitan School District of Washington Township, assist a school administrator in searching a student's locker and the locker's contents.

The Metropolitan School District of Washington Township will provide each student and each student's parent a copy of the rules of the governing body on searches of students' lockers and locker contents upon request.

STUDENT DELIVERIES

Balloons, flowers, etc. will **NOT** be delivered during the school day. Lunch money, projects, etc. may be left with the receptionist for students to retrieve during passing periods, items will not be delivered to students. Cell phones may not be left at the front desk or Dean's Office. Food cannot be delivered to students during the school day by parents/guardians, any person and/or food delivery establishments, including but not limited to Uber Eats, Door Dash or GrubHub. This is to better ensure the security of the school as well as to minimize disruptions to the school day. Also, students are NOT allowed to leave school to get food nor can they bring in outside food purchased after appointments. Students found leaving school will face disciplinary consequences. Food delivered to students by outside delivery companies will be confiscated. If a student opens an outside door to allow an outside food delivery, they will face disciplinary consequences as that creates a security risk. If you have questions, please contact the Assistant Principal.

STUDENT MESSAGES

Messages will be delivered to students only in cases of emergency.

TEXTBOOK RENTAL FEES

VENDING MACHINES

Vending machines located throughout the building are in operation for the convenience of the students and faculty. They are normally available after 3:30 p.m. In

order to keep the building neat and clean, numerous waste containers have been placed throughout the building.

STUDENT CONDUCT

The MSDWT is governed by laws (IC 20-8.1-5.1 et seq.) which permit school administrators to suspend and expel students for violating school regulations on school grounds; immediately before, during, and immediately after school hours, and at any other time when the school is being used by a school group, off school grounds at a school activity, function or event, or traveling to or from school or a school activity, function or event.

In an attempt to emphasize the importance of proper conduct by students, the MSDWT implemented a Code of Conduct available at www.msdt.k12.in.us effective June, 2018. Parents/guardians will be provided information about or pertaining to these on an annual basis.

The administration and faculty of the MSDWT consider suspension and expulsion severe forms of discipline. They are used when the student's behavior is such that harsh punishment is warranted or when necessary to maintain a positive educational atmosphere in the school.

EMERGENCY PROCEDURES

Stay with your teacher. The teacher must take attendance.

If an emergency occurs during a passing period, listen for directions.

ELECTRICAL POWER FAILURE

Since North Central is a structure containing several rooms without natural lighting it is necessary to take special measures in case of an electrical power failure.

All students are to remain with their teachers in their classroom locations. However, teachers in internal classrooms may wish to combine classes with teachers in external rooms.

If a failure should occur during a lunch period, students in the cafeteria are to remain in their seats.

If a power failure should occur during a passing period all students are to report directly to their next scheduled class.

An announcement will be made if it is necessary to dismiss school. Upon dismissal students are to go to their lockers in an orderly manner, leave the building immediately, and wait for their transportation. There should be no running at any time. Students should report home upon dismissal.

EMERGENCY DRILL

All schools in Indiana are required to have one man made emergency drill per semester. In an event of a lockdown remain calm. Close classroom doors, turn out lights and cover windows or openings. Keep away from windows; move to a safe area to reduce visibility. DO NOT call the office for general information; DO NOT make outside calls, TURN OFF CELLPHONES. DO NOT open doors or allow anyone outside of the classroom until the principal/designate or emergency personnel gives an all clear signal.

EVACUATION DRILLS

All schools in Indiana are required to have monthly fire drills. Posted in each classroom is a diagram showing the nearest exit and route from the room to a safe location outside the building. When the alarm sounds, designating a fire drill, all talking should cease at once. Students should leave the building as rapidly as possible without running.

There is to be no talking while students leave the building nor while they return to classes. This instruction is important; for in case of emergency, it is necessary that all may hear directions. A building the size of North Central can be cleared in less than three minutes.

SYSTEM-WIDE DRINKING WATER MANAGEMENT PROTOCOL

As part of its system-wide improvements to the school district's buildings, MSD of Washington Township has implemented a drinking water management protocol. In consultation with environmental professionals, we have implemented the following steps to ensure the safety of our drinking water supply for all users. In order to avoid any erroneous assumptions, the School District is providing this public notice that the use of lab, classroom or other sinks for drinking water purposes is prohibited. These sinks may come in contact with chemicals, paint or other disposable matters which may be of the nature that should not be ingested. Limiting drinking water use to fountains, which are available in all school buildings, will allow the School District to best manage and maintain the safety of its drinking water supply. Use of outdoor drinking water spigots will be limited to designated sources, which will be identified by appropriate signage.

TORNADO SAFETY

All schools in Indiana are required to have one tornado drill each semester. In the event of a tornado, students and faculty in the auditorium, gymnasium, Information Center, cafeteria, or student center will evacuate these areas and move to the nearest available hall free of exterior windows or doors.

Students and faculty in classrooms, offices, or other areas with exterior windows will move into the halls away from exterior windows or doors. Before evacuating a room, all blinds should be closed and fastened as securely as possible to keep out flying glass.

Those in classrooms without exterior windows will sit on the floor by their desks. Those in second-floor classrooms will be sent to the first floor.

Students are selected for membership; they do not apply for membership. Only juniors and seniors may be selected for membership. NHS is more than just academic recognition. The student's selection for membership is based upon outstanding performance in the areas of scholarship, service, leadership, and character. All four areas are considered equally in determining membership. These four criteria for selection form the foundation upon which the organization and its activities are built. To qualify for membership, a student must have been enrolled at North Central for at least one semester. Initial qualification is based on a 3.5 cumulative grade point average. Students who qualify are invited to participate in the selection process. Invitation letters are mailed to qualifying students and their parents/guardians in September of each year.

The faculty council also meets to consider warning and dismissal cases. Before dismissal from National Honor Society, a member shall have the right to a hearing before the faculty council.

NORTH CENTRAL HIGH SCHOOL

COLLEGE CAMPUS VISIT REQUEST FORM

Seniors and juniors are allowed two (2) school days annually to make official visits to colleges and university. The two school days do not accumulate from year to year. Students are strongly encouraged to visit a college or university prior to deciding to enroll. The optimal time for visiting campuses is when North Central High School is not in session:

- Summer Break
- Fall Break
- Spring Break

- Dr. Martin Luther King, Jr. Holiday
- President's Day Holiday
- Weekends (most admission offices offer campus tours and Saturday appointments)

Obviously, not all of the above times will fit everyone's schedule. If students choose to use the allotted college visit days during time that North Central High School is in session, the following steps must be completed:

1. Obtain the *College Campus Visit Form* from the attendance Office. Complete the student section and obtain a parent signature.
2. Upon completion of Step 1, an administrator must sign the *College Campus Visit Form*.
3. Meet individually with all teachers prior to departure and notify them that you will be missing class. Request that each teacher sign off on the *College Campus Visit Form*. Discuss what is expected in order to make up missed class time and work, tests, papers, etc.
4. Have a parent call the Attendance Office (259-5355) to notify office personnel that the student will not be present the day of the visit.
5. Request an official letter from the college admission office while on campus verifying campus visit (date visited and with whom) on the institution's letterhead. All admission offices are familiar with these requests and readily comply.
6. Submit both the official visit verification letter and completed *College Campus Visit Form* upon return to school to the Attendance Office. Both documents must be received for the college visit to be considered an excused absence. Failure to follow the policy will result in an unexcused absence.

All campuses appear "perfect" in recruitment publications. Consider staying overnight on a campus to gain a feel for the student life aspect. Wear comfortable shoes for walking around campus and clothing that is presentable and comfortable. Remember that you are making a first impression. Please make final visits prior to the May 1 National Candidate Reply Date during spring break of senior year.

SENIOR HONOR CODE

Reaching the status of a senior in high school is an educational achievement that represents perseverance, academic success, and sacrifice. Seniors have endured, have mastered the daily routine and practices of schooling, and many, through self-discipline and responsible behavior, have achieved success.

Many questions pertaining to the behavior and academic achievement of senior students have been answered by now. However, one question remains for us all to ponder. Are our seniors ready to be responsible citizens of our community? We know how they react to control and supervision, but we don't know how they conduct themselves without the constraints of daily monitoring. In order to learn the answer, senior students must be given the opportunity to be responsible young adults.

The Senior Honor Code system allows each qualifying senior parent and student to decide if the student is ready to assume responsibility for school and his/her education. Please read the following guidelines and rules of the Senior Honor Code. If you feel your senior student can handle the responsibility, please complete the last sheet and have your senior student turn it in during registration or to the assistant principal in charge of student activities, by the date indicated on the application form.

The school administration reserves the right to verify information provided by senior students when there are questions or concerns pertaining to the validity of the information. The school administration also reserves the right to deny use of the card at any time. This is a privilege. This is not a right.

A senior must have a cumulative GPA of 3.25 or higher, thirty-six (36) credits by the start of their senior year, a good discipline/attendance record, successfully completed the 10th grade Panther Exploration Project and no arrears to apply for the senior honor code.

SENIOR HONOR CODE PRIVILEGES

Seniors who have earned the right to an honor card may:

1. Call themselves in for **all-day** absences. Out of concern for safety, parent approval is necessary for a student to leave school due to illness.
2. Leave for appointments through the attendance office without a parent call. Proof of the appointment must be returned to the attendance office.
3. Use their **visibly worn badge** in place of a teacher's pink pass.

(Keep this page for reference)

Application attached

ONCE THE PRIVILEGES HAVE BEEN AWARDED

The senior honor code student will:

1. **Wear his/her card so it is visible at all times to staff (not under clothing etc.).**
2. Surrender his /her card upon request by any staff member.
3. Surrender his /her card if s/he is suspended for any reason.

The administration has the right to revoke privileges for an individual or the entire class at any time.

The senior honor code is a privilege. The decision of the assistant principal in charge of seniors is final.

We have read the rules and regulations of the Senior Honor Code Program. We will abide by these rules and regulations. We understand the decision of the assistant principal in charge of seniors is final.
