Meet new freshmen friends and upperclassmen leaders

Learn the skills to have a successful freshman year

Learn about becoming involved in extracurricular activities and starting strong academically

Get excited about starting the school year

PARENTQUEST

Are you a new parent to North Central? Do you have students at NC already but want to connect with other parents? Do you want to hear from the PTO, the Foundation, PantherQuest leadership, and former NC students about how to help your child be successful at North Central? If you said yes to any of the questions above then the Parent Quest Zoom is the place for you! Please check the North Central Website at nchs.cc during the PQ week for the Zoom address and time. See you there!
